

Calling all upland enthusiasts!

The Prairie Rockets, your local Menard County Chapter of Quail Forever, will hold our annual banquet on Saturday, January 30th at the Hill Prairie Winery in Oakford. Please join us and show your support. This event is a great time for you and your spouse as we always have fun items for the ladies.

Complete and return your mailer before January 15th and be entered into our **early-bird drawing** for free Bobwhite Bucks the night of the banquet. Tickets can also be purchased from any of the committee members.

Unlike any other conservation organization, with Quail Forever, WE decide how to spend 100% of funds raised at our banquet. In 2009, we spent \$3,600 to restore 85 acres of quail habitat right here in Menard County and sponsored food for the area youth at the fall hunter safety clinic.

We continue to offer cash incentives to landowners who enroll in conservation programs and to those who want to upgrade their degraded grasslands to a diverse native grassland benefiting quail. Details are available on our web site and at the local SWCD office in Petersburg. If you need assistance with your habitat project, please let us know.

Additional information about the banquet and our chapter can be found at www.prairierockets.org.

Quail Forever is unlike other conservation organizations, 100% of funds raised at the banquet are controlled by the local committee on local projects. If you'd like to get involved and make a difference on our local committee talk to one of the local committee members (see inside).

Without your support at our local fundraising event, none of these activities would be possible so we thank you for your past and continued support.

See you in January!
